The Journal of General Physiology is the official organ of the Society of General Physiologists and is edited in cooperation with the Society. The appearance of the code at the bottom of the first page of an article in this journal indicates that the Publisher gives consent for individual copies of that article to be made for personal or internal use. This consent is given on the condition, however, that—for copying beyond the limited quantities permitted under Sections 107 or 108 of the U.S. Copyright Law—the copier pay the stated per-copy fee, for this journal \$8.00 per article, through the Copyright Clearance Center, Inc., 222 Rosewood Drive, Danvers, MA 01923, phone (978) 750-8400, a nonprofit organization. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. © 2005 by the Rockefeller University Press, 1114 First Avenue, New York, NY 10021.
